

2024 MWK Driving Change Scholarship

The Midwest Krawlers is the premier off-road club in the Kansas City metro area. The club is built on three primary principles: Activity Drives Membership, Help Each Other Out and most importantly, HAVE FUN! MWK hosts events year-round that cater to all levels of off-roaders, all vehicle types and welcome anyone looking to get out and explore in their vehicle while making new friends.

MWK is not only active out on the trails but in our community as well. We are a registered non-profit and actively support local ORV parks and community outreach programs. Our club transports first responders and medical personnel to work during inclement weather. We also donate to Cancer awareness programs, Toys for Tots and provide ride on, battery operated Jeeps to local children's hospitals and programs. We also hold many social events for our members throughout the year.

The Sunflower Trail Ride is the premier women's off-road event in the Midwest. This event is for all to enjoy the trails and their vehicles. Sunflower was created to get women out on the trails. The event is filled with building the skills as a driver and is a great day of meeting and bonding with like-minded women, empowering each other through new challenges and exploration. Due to the success of this event, a scholarship program has been designed. For the 2024 Graduation year 6 - \$1,000 Scholarships will be awarded.

Requirements:

1. Graduating Female High School Senior from any Career Center or Technical School in the Kansas City Metro
2. Enrolled in or accepted to an accredited vocational school in the US with a focus on industrial or construction trade related skills. (This could include: technical school, 2-year college or other approved vocational institutes and certifications.)
